WORK EXPERIENCE

AIVANA HEALTH INTELLIGENCE | Founder, Healthcare AI **Aug 2024 to 2026**

Bootstrapped; company registered Aug 2025; part-time Mar 2026 to Aug 2026 while at Dyadic Health

- Ran 100+ conversations with doctors, hospital staff and students plus 370+ medical-student validations; evidence drove two product pivots.
- Led 11-week Tulip Hospital pilot across 371 outpatient consultations. Final 3 days: 91% note accuracy, ~20% less documentation time.
- Traced 60% of note revisions to template mapping and specialty terminology; refined templates and EHR field mapping mid-pilot.
- Benchmarked 12 clinical AI vendors on positioning, pricing and go-to-market; built 5 workflow demos for hospital pilot proposals.

DYADIC HEALTH | Founder's Office Associate, Growth & Operations **Mar 2026 to Aug 2026**

- Built CRM tracker, KPI dashboards and SOPs, cutting founder daily review time from ~4 hours to 50 minutes.
- Onboarded 11 healthcare and eldercare partners, coordinating requirements, technical dependencies and service-readiness milestones.
- Grew caregiver community to 200+ members, producing 35 discovery conversations; ran operations for the first paid caregiver cohort.

GNIXARACADEMY PVT. LTD. | Co-Founder & COO **Feb 2025 to Aug 2025**

- Assessed demand across 30+ institutions and built partner outreach; exited when procurement research showed weak willingness to pay.

ZANGOH | Product & Business Operations Intern **Dec 2024 to Feb 2025**

- Mapped banking, e-commerce and operations workflows to identify AI-agent opportunities and turned findings into product demos.

SARVODAYA'S MANJEERA | Strategy Intern **Mar 2024 to Apr 2024**

- Analysed pricing, cash flow and unit economics; proposed a B2B hostel and laundry channel and secured the first institutional customer.
