PRODUCT & RISK-RELEVANT EXPERIENCE

AIVANA HEALTH INTELLIGENCE | Founder - Healthcare AI Product	**Aug 2025 - Present**
Risk Decision Flows	Designed an AI-assisted insurance preauthorization prototype with medical-necessity checks, coding rules and denial-appeal workflows.
Product Requirements	Converted learner and institutional feedback into product requirements and pilot workflows for an AI patient-simulation platform.
User Research	Conducted **100+** doctor, hospital and student conversations and **370+** medical-student validations; insights informed two product pivots.
Pilot Metrics	Ran an **11-week** hospital documentation pilot across **371 consultations**, measuring **91% documentation accuracy**.
Iteration	Used feedback loops and root-cause analysis to reduce documentation cycle time by **20%**.
ZANGOH | Product & Business Operations Intern	**Dec 2024 - Feb 2025**
Workflow Analysis	Mapped banking, e-commerce and operations workflows to identify AI-agent opportunities and translate findings into product demos.

CROSS-FUNCTIONAL OPERATIONS EXPERIENCE

DYADIC HEALTH | Founder's Office Associate	**Mar 2026 - Aug 2026**
Data & Reporting	Built CRM trackers, KPI dashboards and SOPs across customer and partner journeys; reduced founder review time by **80%**.
Stakeholder Alignment	Onboarded **11 healthcare and eldercare partners**, tracking requirements, next steps and adoption blockers.
Launch Coordination	Supported the first paid cohort through lead tracking, partner coordination and service-readiness checks; built a **200+ member** caregiver community.
GNIXARACADEMY PVT. LTD. | Co-Founder & COO	**Feb 2025 - Aug 2025**
Prioritisation	Prioritised **30+ academic institutions** and developed the venture's first partner pipeline and outreach process.

PUBLICATION, AWARDS & LEADERSHIP

Publication	Co-authored a peer-reviewed **ECIE 2025** paper on generative AI as a knowledge companion in venture creation.
Competitions	Won **1st place** at Tongali, IIT Hyderabad, and **4th place** at Ideastorm, IIT Roorkee.
Leadership	Led the IIT Hyderabad Cricket Club and organised the IITH Cricket League with **100+ players** across 5 teams.

SKILLS & CERTIFICATION
